

## Coming in Toulouse for PPPSC'12, how can I reduce my carbon footprint?

- I can take the train from Paris to Toulouse High Speed Train =TGV (rather than plane) : <http://www.tgv.com/en>
- I can make a donation for carbon emission compensation of my plane trip:
  - See your travel agency,
  - <http://www.terrapass.com/> (USA)
  - <http://www.co2solidaire.org/> (France)
  - <http://www.puretrust.org.uk/> (UK)
  - ...
- I can take the airport shuttle rather than a taxi : <http://www.toulouse.aeroport.fr/airport/access-transport-car-park/access/public-transportation/navette-city-centre>  
5€ ticket, get off at “Jean Jaurès” and I will be downtown !
- I can book an hotel close to the conference place, see the map.
- I can take the public transportation downtown (bus and metro) : I will be given a FREE pass at the registration desk and I can find a map here <http://www.tisseo.fr/se-deplacer/plans>
- I can take my luggage with me while departing for the Technical visits on Wednesday September, 5<sup>th</sup> (visit CNES Toulouse, JEAN LUC LAGARDERE TOUR: A380 SITE or GOLFECH Nuclear power plant) because the bus can drop me off at the airport on the way back to Toulouse
